MEDICAL MALPRACTICE INSURANCE PROPOSAL FORM

IMPORTANT NOTICES

The Insured must read the following notices before completing this proposal form.

YOUR DUTY OF DISCLOSURE

It is a condition of the KQIC Medical Malpractice Policy that before you enter into such a contract of insurance, you disclose to KQIC every matter that you know, or could reasonably be expected to know, is relevant to KQIC's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to KQIC before the Policy is renewed, extended, varied or reinstated.

Your duty to KQIC however does not require disclosure of any matter: -

- that diminishes the risk to be undertaken by KQIC;
- that is of common knowledge;
- that KQIC knows or, in the ordinary course of its business, ought to know;
- as to which compliance with your duty is waived by KQIC.

NON DISCLOSURE

If you fail to comply with your duty of disclosure, KQIC may be entitled to reduce their liability under the contract of insurance in respect of a claim and or may cancel the contract of insurance.

If your non-disclosure is fraudulent, KQIC may also have the option of avoiding the contract of insurance from its beginning.

UTMOST GOOD FAITH

Every insurance contract is subject to the doctrine of utmost good faith which requires that parties to the contract should act toward each other with the utmost good faith. Failure to do so on your part may prejudice any claim and or the continuation of the insurance contract.

CLAIMS MADE POLICY

Any insurance contract (policy) that KQIC may offer on the basis of this proposal form will provide insurance on a "claims made" basis. This means that the policy will indemnify you for:

- claims made against you and notified to KQIC during the period of insurance, and/or
- circumstances notified to KQIC during the period of insurance that might lead to a claim against you at any future date.

The policy does not provide indemnity in relation to:

- events that occurred prior to the retroactive date, if any, specified in the policy;
- claims notified or arising out of circumstances notified under any previous policy;
- claims made against you prior to the commencement of the period of insurance;
- claims made against you after the expiry of the period of insurance;
- claims arising out claims or circumstances noted on this proposal form or any previous proposal form;
• claims arising out of any facts or circumstances known to you at the commencement of the period of insurance where such facts or circumstances would have put a reasonable person in your position on notice that a claim may be made against you in the future.

The indemnity provided by the policy is subject to all the terms and conditions of the policy.

NOT A RENEWABLE CONTRACT

Any insurance policy offered by KQIC will terminate at expiry of the specified period of insurance. There is no right to automatic extension or renewal of the policy. If you wish to effect similar insurance for a subsequent period, it will be necessary for you to complete a new proposal form prior to the termination of the expiring policy so that KQIC may consider whether or not to offer a replacement policy, and if so, on what terms.

CHANGE OF RISK OR CIRCUMSTANCES

The terms and conditions of any insurance policy offered by KQIC will be based on the information provided to KQIC.

If any material change occurs to the information provided on or with this proposal form prior to the inception of the policy, it is essential that KQIC is advised of the same prior to inception of any policy. Failure to do so on your part may prejudice any subsequent claim under the policy and/or the continuation of the insurance contract.

SUBROGATION

You may prejudice your rights with regard to a claim if, without prior approval from KQIC, you make an agreement with a third party that will prevent KQIC from recovering any applicable loss (in whole or in part) from that, or another party.

Your policy will contain provisions that have the effect of excluding or limiting the liability of KQIC for a claim under the policy if you have entered into any agreement that excludes, limits or delays your right to recover damages from another party in respect of such claim.
